Project Name	CUSTOMER CARE REGISTRY

IBM Cloud Account:

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account 'SABARISH T's Account'. The main content area is titled 'Dashboard' and features a 'Create resource' button. Below this, a 'For you' section offers five quick-start options: 'Build' (purple box), 'Monitor your resources' (5 min), 'Create and deploy an application' (5 min), 'Get started with machine learning + Watson Studio' (10 min), and 'Build with Watson' (3 min). Each option includes a brief description and a 'Getting started' button. At the bottom, there are sections for 'User access' (with a 'Manage users' link), 'News' (featuring 'Announcing IBM Cloud Pak for Network Automation'), and 'Planned maintenance'.
